# *Fill the gaps*

## **RULES OF THE GAME**

Choose the game you are interested in, its level of difficulty is designated by the colour of the strip highlighting the name.

Decipher the sentence in the highlighted text and write the missing words in the empty field below. To help you, the verses have been numbered. The **Check!** and **Show the answer** buttons are at your disposal. Using the first of these means that the mistakes are shown in red. The second one helps to escape from even the hardest oppression.

Have fun!
