# *Match the pairs*

## **RULES OF THE GAME**

Choose the game you are interested in, its level of difficulty is designated by the colour of the strip highlighting the name:

Then match the words to each other or to the pictures. How can you do it? It's simple - drag the picture with the mouse from the bottom window to the top one and leave it in the suitable place. If you make a mistake, the picture returns to the lower window.

Have fun!
